

CUSTOMER & PRIVACY POLICY

Cookies

EVM Landskabs website does not use cookies.

Personal information & data collection

Personal information is all kinds of information that can be attributed to a person.

No personally sensitive data are collected through the EVM Landskab Website.

In order for you to enter into an agreement with EVM Landskab, the following information may be gathered via mail communication and then registered in order to enter into a business agreement:

- . Business name and VAT number
- . Name

- . Address
- . Phone number
- . Email address

We make the registration of your personal information for the purpose of delivering our services to you. Personal information is registered on the companies personal computer only and stored for up to five years, after which the information is deleted.

When collecting personal information via mails we ensure that it always happens by submitting your explicit consent, so that you are informed exactly what information is being collected and why.

The director and employees of EVM Landskab have access to the information recorded about you.

We do not resell personal information nor pass on your personal information to others.

We do not store and transmit customer encrypted information.

As a customer of EVM Landskab, you have the right to know what information is registered about you. You have these rights under the Personal Data Act and in connection with this, please contact evm@evmlandskab.dk
